CHATTER

CHATTER

There are a lot of travellers in this village
While the land is rough, mobile vikings surrounded by various mountains
Due to the trade merchant town, the village was able to flourish
Hey, what's up with you...
Hm...

There aren't much sightseeing to do here, but if you pass the mountain, you'll reach a village named Elle which is well known for their windmills.
There will be plenty of things for you to see there.
You seem to know a lot of random facts.

It's spring, the season of planting! There are lots of flowers and food in every village!
Mommy, wanna... You're very rich.
Haha! I'm not going to buy it for you.

Hey.
What are you going to do after we finish this mission?
What are you going to do?
I asked you first!
Well, you probably want to say something sweet you called
Ugh...

I was thinking about going back to the mansion, even though it is obvious that I'm going to be anxious to death.
That chamberlain must have punished the maid instead of me.
Funny thinking. But she would have been beaten in my place.

!
So what now you going to do after all this is over?
I want to be strong!
Strong!
Strong!
Huh.
What can I do? I'm dark-skinned.
You can escape from being an a slave with an official signed document.

I can't do anything. I was once cursed because I attacked as a baron.
I will probably be forced into slavery somewhere.
You're safe a slave right now.
My skin color decides my position.

She's a member but she loves people and travels around. Why can't you be brave like her?
It's not the same thing.
Where the elfgirl went?
You die!

Day 16.
Rec. Day 18

How long will it take to get to the next village?

If we hurry, it'll take about three days.

Hm... I'm even scared here is rough, so we can't take the same road again.

We don't have time to be a hamster-n-human!

There's another route we have to take if we travel by horse. Isn't it? I've stayed there before. It is going to take more, however.

Aha...

We should just walk faster! Hurry up!

We're hamsters.

Whatever!

Thirsty here.

Day 18

Baaa...

Wow!
This village is huge!

Right?

Yeah.

Three months are travelling.

How they preparing for a festival?

I asked someone about it and they said it's an important day so we need to sell things today though.

Excuse me, ma'am!

We should have some food for the road.

Yes, ma'am.

We're hamsters.

Whatever!

And one last question!

Thirsty here.

Hmm... What sweets would you like?

Day 18

Ah, no wait!
Why are you doing this!?

DRAG

What's wrong?

Nothing...

I have to go somewhere for a bit. I saw someone familiar.

Don't go anywhere. Make sure you keep the deal and stay around here.

Huh? Okay.

Come back soon!

How much are the oranges?

Ten bars for one. If you want more, you have to pay more.

Aaaaah!

CRASH

Yeah.

Here's fourteen bars.

Oh thank you.

Then here's a drawing too!

Ah, no wait!
Why are you doing this!?

DRAG

SLAM

Ow!

Who are you?

I saw you in the previous village. Why are you following us?

N-no...?
I didn't-

Right...
I did.

Tell me.
Why did you follow us?

...

The woman who is with you...

I've seen her somewhere before. Even though she cut her hair, I still recognized her.

Ivonika of Lismaij!
